

**OCCUPATIONAL HEALTH & SAFETY
POLICY DISPLAY POSTER**

A core value of the Management of New South Wales Clay Target Association is to provide a safe and healthy working environment, to prevent illness and injury to our employees, members, visitors and contractors.

We will work with our employees to implement the following practices:

- Provide adequate job and safety training
- Inspect and audit work areas to ensure the work environment and equipment are maintained in a safe condition
- Review work practices to ensure procedures in place are safe
- Provide information and training on all relevant aspects of our work in regard to OH&S
- Comply with all OH&S rules and regulations
- Promote employee health, safety and welfare
- Provide adequate and appropriate Personal Protective Equipment
- Obey safety rules.

This Policy will be managed through consultation & participation of all employees through ongoing training & safe work practices to ensure a safe and healthy workplace.

President
